

D214.su **CARDIFF, 27 MARCH 1995**

This wonderful restoration job (see [D214](#) review) adds Cardiff to a growing list - [D085.su](#), [D182](#), [D257.su](#), [D357.su](#) - of superbly enjoyable shows from 1995. That it's the best-represented NET year in the Must Have audience videos Top Ten is no coincidence. Can we possibly now have more of the same for Philadelphia 16 December* (yet another blip-victim)?
